Leadership in Student Affairs & Services

Session Details
Every Thursday, 1pm - 3pm UST, Feb 26 - April 30

1. Leadership In Higher Education
Discover the evolving roles of Student Affairs leadership in higher education at both local and global levels. Gain insights into using complexity as a framework for navigating leadership challenges across diverse contexts.

2. Leadership & Cultural Dexterity
Unlock the power of cultural awareness and adaptability in leadership. Learn practical strategies to lead effectively in multicultural environments and build inclusive, high-performing teams.

3. Leadership Competencies
Master the essential skills for leadership success in higher education, including strategic thinking, emotional intelligence, and decision-making. Explore the Leadership Maturity Framework to elevate your leadership impact.

4. Management and Administration
Learn the principles of effective management and navigate operational challenges in academic institutions. Strengthen your ability to balance leadership and administrative responsibilities.

5. Management of Diverse Teams
Discover strategies to lead diverse teams with inclusion and collaboration at the forefront. Enhance your conflict resolution skills and drive exceptional team performance.

6. SAS Functional Areas
Gain a comprehensive overview of Student Administration Systems (SAS) and their role in managing the student lifecycle. Explore how these systems streamline key processes in higher education.

7. SAS Theory
Understand the theoretical foundations of SAS, including data models, workflows, and compliance frameworks. Learn how these principles support institutional success in higher education.

8. SAS Practice
Get hands-on with SAS tools to manage student administration effectively. Apply your skills to real-world scenarios and drive efficiency. Use data insights to streamline processes, enhance decisions, and improve outcomes.

9. Digital Communication & Impact
Harness the potential of digital platforms to enhance leadership, institutional branding, and online engagement. Discover tools and strategies for impactful communication in the digital age.

10. Personal Development Plan
Reflect on your leadership journey and build a customized action plan for ongoing growth. Leave with a clear roadmap to achieve your professional and personal development goals.
